# BOBCARE PLANNED MAINTENANCE

🌐 UNITED KINGDOM

## GENUINE PARTS AND QUALIFIED TECHNICIANS

Bobcat trained technicians perform the maintenance jobs using genuine Bobcat parts and fluids. Simply quality without compromise.

## BACKED BY BOBCAT

BobCARE is backed by Bobcat company that guarantee the same level of customer experience where ever they are located.

## PREDICTIBLE EXPENSES

Investment in maintenance is known now and fixed for coming years. Customer is protected from inflation and price fluctuation.

## PEACE OF MIND

Genuine planned maintenance prevents repairs and unplanned downtime. When completed with Protection Plus it gives an extended sense of security, and also makes good business sense.

## TRANSFERABLE TO NEXT OWNER

Any remaining coverage can be transferred to the new owner, enhancing both the value of the machine and its sales appeal.

## HONORED AT ANY DEALERSHIP

Any Bobcat dealership within the country can perform maintenance work on a machine covered by BobCARE. Equipment is temporary in another region? No problem, BobCARE is the solution.

## INCREASE UPTIME

Identifying issues during regular, planned maintenance helps avoid future breakdowns and unscheduled downtime, allowing for better productivity and profitability.

## LONGER MACHINE LIFE

Regular genuine preventive maintenance is proven to increase the life of the machine.

## COST EFFECTIVE

Notice issues earlier while they require only minor repairs, instead of performing major, time-consuming repairs.

## HIGHER RESALE VALUE

Second-hand equipment buyers are likely to perceive a machine with superior care and maintenance records as having added value.

## NO DEDUCTIBLE

Pays for the cost of scheduled maintenance (parts, fluids, and labour) all with no deductible required from customer side.
